Dear Derek,

The Commission will carry out an inspection at Dublin airport scheduled 26 to 30 March 2012. The inspection notification, with a pre-inspection questionnaire attached, was sent to the attention of Mr Fearon on 5th January (sorry for not enclosing a copy by email, the document is classified as EU restricted and our procedures do not allow for that).

We would be grateful if the Irish authorities can designate as soon as possible the national coordinator of this inspection. The team leader, Urban Blaznik, will then get into contact with the national coordinator in due time in order to start the preparatory work related to the inspection.

Please note that the TSA asked for participation as observer in this inspection. We will send in the coming days an official letter with this request; upon an Irish agreement, we will then contact TSA and inform the national coordinator as designated by you on the names of the entire inspection team (EC inspectors and TSA observers).

With best regards,

Daniela
