Subject: The Ombudsman's own-initiative inquiry concerning whistleblowing  
(OI/1/2014/PMC)

Dear Mr Ronayne,

Dear Mr Cuenda,

Article 22c of the Staff Regulations, which entered into force on 1 January 2014, stipulates that EU institutions and bodies shall lay down internal rules covering the protection of whistleblowers and the provision of information to them, as well as the procedure for handling complaints made by whistleblowers concerning the way they were treated as a result of reporting serious irregularities.

In view of the importance of this new provision, I decided to address an own-initiative inquiry to the EU institutions and bodies represented in the College of the Heads of Administration<sup>1</sup>, asking them to inform me of the steps they have taken, or intend to take, to give effect to Article 22c.

In light of the vital role played by the Staff Regulations Committee, I wish to inform you of this own-initiative inquiry. Please, therefore, find attached the letter sent to the President of the European Commission opening

---

<sup>1</sup> The own-initiative inquiry is addressed to the European Parliament, the European Commission, the Council of the European Union, the Court of Justice of the European Union, the European Court of Auditors, the European External Action Service, the European Economic and Social Committee, the Committee of the Regions, and the European Data Protection Supervisor. As the EU Staff Regulations do not apply to the European Central Bank or European Investment Bank, this inquiry is not addressed to them.

this inquiry. The letters to the other institutions concerned are in similar terms.

Yours sincerely,

Emily O'Reilly
