

Wednesday, October 16, 2013 Meeting with ASTM

Participants in the meeting were [article 4.1 b] and [article 4.1 b].

[Not relevant]

Finally, I asked them how they see the relation between regulatory negotiations in the TTIP and standards, since convergence in regulations should also help convergence in standards. Sectoral commitments could be very beneficial for them. They agreed with vehemence, and I told them to convey that message to our US counterparts as well.

Best regards,

[article 4.1 b]
