

Tuesday August 13, 2013 Meeting with Halliburton - report

My colleague from the energy section [article 4.1b] and I met today with [article 4.1b], manager of government affairs of Halliburton at his request.

He made an explanation of what their company does - and he also expressed interest on the idea of a separate chapter on energy and raw materials in TTIP.

[not relevant]

[not releasable]

Then he went through other horizontal issues as customs facilitation, data flows, IP

[not relevant]

Best regards,

[article 4.1b]
