0 [article 4.1.b],made the remarks along suggested lines (although more broadly, given that he only had 10 minutes). The format was such that (four lunch tables) we had to ask the questions informally. At my table were: (see above). On whether US will be willing to go further on market access, there was muted response. I had to ask on specific issues ([Not releasable]). No response/reaction on air and had to prod on the [Not releasable]
