Dear Francesca and dear Lorenzo

We are now on the final preparation for the IA Board hearing, which will take place tomorrow. Thus lately I have not been able to revise the study as I would like to.

The Board has already indicated some of the issues that we may need to revise in the Impact Assessment and we should get more information tomorrow.

I will then dedicate more time to the study to see if we get it finished and published as soon as possible – believe me I need to get this through very quickly and so I will only send one more set of comments and that should be it.

For the moment I can already give you some feedback - I will try to have my final remarks in the next days. For example REDACTED

Dear

Thanks for your comments. We are on the same page as to wishing to finalize quickly the final version of the report.

Today is bank holiday in Italy (I am in the office but should not be here), so tomorrow morning we will let you have some possible times for the call, which we agree it is a good idea.

With kind regards,

Francesca

Thank you Francesca,
For the purpose of delivering the final study, and its subsequent publication and dissemination, I do not think that an Excel table can be used.

Thus it will be necessary to put this data into a word, PDF or Power point format.
