Part 1 GestDem 2015/710, Part 2 GestDem 2015/721, Part 7 GestDem 2015/726 and Part 10 GestDem 2015/729

Dear Mr Fourquet,

Further to the European Commission's email of 4 February 2015, by means of which the said institution acknowledged the receipt of your request for access to documents concerning Bisphenol A, I would like to inform you on the following.

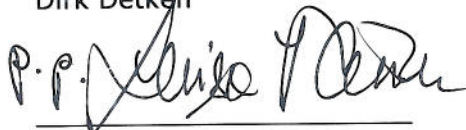

The above-mentioned Parts of your request, by means of which you seek access to documents regarding Bisphenol A, refer to documents in EFSA's possession. Therefore, these Parts of your request have been forwarded to EFSA, registered as *PAD 2015/8* and are currently being processed by EFSA as quickly as possible in accordance with the provisions of Regulation EC) No 1049/2001 on public access to documents¹.

However, we regret to inform you that in view of the nature of your request that entails the need to retrieve and search for a potentially high number of documents referring to long reference periods, we have to extend the deadline by 15 working days in accordance with article 7(3) of Regulation (EC) No 1049/2001. Please accept our apologies.

You will receive a reply by 18 March 2015 at the latest.

Yours sincerely,

Dirk Detken
