**Re: European Commission request to the European Food Safety Authority
for an update on the state of play of animal cloning 2012**

Dear Mrs. Testori Coggi,

With reference to the European Commission request of 12 December 2011 (SANCO/E6/[REDACTED] (2011) 1338058) requesting an update on the state of play of animal cloning, I am pleased to inform you that the statement of EFSA on an update on the state of play of animal cloning was discussed at the Scientific Committee on 21-22 May 2011. The statement is herewith attached and will be published shortly on the EFSA web.

Yours sincerely,

Catherine Geslain-Lanéelle
