**Summary:**

- **The Democratic Labour Market Development Project**
  
  Build the organization capacity of the independent and democratic trade unions and the Confederation of Free Trade Unions in Kazakhstan. To do this the key objectives are: the development of a regional network of trade union educators trained in democratic education methods and writing skills and the development of a corresponding “women’s arm.”

- **Introduction of the European Charter on Local Self-Government in the Legislation of Armenia as a Basis of Democratization and Development of Local Governance**
  
  Support the development of local self-government in Armenia, as one of the basic institutes of a democratic society, according to the requirements of European Charter on Local Self-government (ECLSG), ratified by the Republic of Armenia in 2001.

- **Administration of the Maya Juridical System as a Fundamental Indigenous Right**
  
  Build the technical and political capacity of community authorities, in six municipalities, to better advocate for the recognition and adoption of the Maya Juridical System.

- **Institutional Strengthen of Public Organisms of the Human Rights**
  
  Incorporation of International standards in the protection of human rights and strengthen the principles of autonomy, independence and moral authority of the public organisms on the human rights in Mexico, in particular in the states of Chiapas, Guerrero, San Luis Potosí, Sinaloa, Guanajuato, Querétaro and Federal District.
