MEMORANDUM FROM THE PRESIDENT TO THE COMMISSION

According to Article 245(2) of the Treaty on the Functioning of the European Union, the Members of the Commission give a solemn undertaking that, both during and after their term of office, they will respect the obligations arising therefrom and, in particular, their duty to behave with integrity and discretion as regards the acceptance, after they have ceased to hold office, of certain appointments or benefits.

Further to this Treaty provision, the Code of Conduct for Commissioners (C (2011) 2904 final) establishes a specific procedure for the assessment of planned occupations which former Commissioners intend to take up during the eighteen months after they have ceased to hold office. The Commission shall examine the nature of the planned occupation and, if the activity is related to the content of the Commissioner's portfolio, it shall seek the opinion of the Ad hoc Ethical Committee.

With his e-mail of 28 March 2015 to the Secretary General of the Commission, former Vice-President Siim Kallas informed the Commission about his wish to engage in a consultancy activity for Nortal, a consultancy and software company headquartered in Tallinn.

Mr Kallas informed that Nortal is a consultancy and software company founded in 2000. It has 630 employees in 8 countries, an annual revenue of 42 M€ and has enjoyed considerable growth throughout its history, being the fastest growing software development and consultancy company in the Baltic region since its inception. The company's vision is building a seamless society through removing obstacles of development, reducing hidden transaction costs in societies, increasing transparency of administration, reducing waste and increasing overall procedural efficiency.

Mr Kallas explained that his role will be to participate in projects promoting good governance practices in countries outside the European Union.

The Services of the Commission examined the nature of Mr Kallas' envisaged activity with Nortal and came to the conclusion that this activity is not linked to his former Commission portfolio as Vice-President in charge of Transport Policy.

They furthermore considered that Mr Kallas' envisaged activity does not present any risk of incompatibility with the interests of the European Union or with Article 245(2) of the TFEU, provided that Mr Kallas complies with his obligations stipulated in Articles 245 and 339 of the TFEU and in the Code of Conduct for Commissioners, notably as concerns his duty to behave with integrity and discretion, the protection of collegiality and confidentiality of the matters dealt with by the Commission during his mandates as Member of the Commission and the prohibition of lobbying the Commission and/or its services, during eighteen months after his term of office, for Nortal.

The Commission is invited:

- (1) to decide that former Vice-President Siim Kallas' envisaged consultancy activity for Nortal is compatible with Article 245(2) of the TFEU on the conditions that Mr Kallas abides by his obligations stipulated in Articles 245 and 339 of the

TFEU and in the Code of Conduct for Commissioners, namely that he behaves in all circumstances with integrity and discretion, that he protects the collegiality and confidentiality of the matters dealt with by the Commission during his mandates and that he refrains from lobbying the Commission and/or its services, during eighteen months after the end of his mandate, for Nortal.

- (2) to instruct the Secretary General to inform Mr Kallas about the present decision and the conditions contained therein.
