Dear Ms Canonne,

Subject: Your application for access to documents – Ref GestDem No 2015-2639 ATD – energy aspects of trade agreements – additional documents

In the last letter, we actually omitted two documents that should have been part of the reply. We would like to apologise for that. The first document concerns a report of a meeting with EWEA (which actually touches only partially upon TTIP) and the second document concerns a report of the meeting that followed to the incoming letter by SETI (the incoming letter was actually listed).

The documents to be released contain personal data, in particular names of people.

Pursuant to Article 4(1) (b) of Regulation (EC) No 1049/2001, access to a document has to be refused if its disclosure would undermine the protection of privacy and the integrity of the individual, in particular in accordance with Community legislation regarding the protection of personal data. The applicable legislation in this field is Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free
movement of such data\textsuperscript{1}.

When access is requested to documents containing personal data, Regulation (EC) No 45/2001 becomes fully applicable\textsuperscript{2}.

According to Article 8(b) of this Regulation, personal data shall only be transferred to recipients if they establish the necessity of having the data transferred to them and if there is no reason to assume that the legitimate rights of the persons concerned might be prejudiced.

We consider that, with the information available, the necessity of disclosing the aforementioned personal data to you has not been established and/or that it cannot be assumed that such disclosure would not prejudice the legitimate rights of the persons concerned. Therefore, we are disclosing the documents requested expunged from this personal data.

In case you would disagree with the assessment that the expunged data are personal data which can only be disclosed if such disclosure is legitimate under the rules of personal data protection, you are entitled, in accordance with Article 7(2) of Regulation 1049/2001, to make a confirmatory application requesting the Commission to review this position. Such a confirmatory application should be addressed within 15 working days upon receipt of this letter to the Secretary-General of the Commission at the following address:
