REGISTERED LETTER WITH ACKNOWLEDGEMENT OF RECEIPT

Subject: Your application for access to documents – Ref GestDem No 2015/3147

Dear Ms Fiedler,

I refer to your e-mail dated 10/06/2015 in which you make a request for access to documents, registered on 11/06/2015 under the above-mentioned reference number. I also refer to my letter dated 01/07/2015 on the narrowing of the scope of your request and your reply by email on 03/07/2015.

On the basis of the above exchanges you have narrowed your request for access to the following documents:

- a list of meetings of Günther Oettinger, his Cabinet or advisors with external stakeholders since November 2014.
- all documents related to meetings of Günther Oettinger, his Cabinet or advisors with external stakeholders since November 2014 related to the sector of the telecommunications, music and film industry on the topics of the Digital Single Market, the Telecoms Single Market (roaming and net neutrality).

I would also like to inform you that the deadline to fulfil your request started on 03/07/2015, on the day when we received your reply with the narrowed scope.

Your application is currently being handled. However, we will not be in a position to complete the handling of your application within the time limit of 15 working days, which expires on 27/07/2015.

Commission européenne/Europese Commissie, 1049 Bruxelles/Brussel, BELGIQUE/BELGIË - Tel. +32 22991111 - Office: BU25 05/081 - Tel. direct line +32 229-97671 - Fax +32 229-69229
Email: sandor.szalax@xx.xxropa.eu

An extended time limit is needed as your application – even following the narrowing of its scope - concerns a large number of documents that have to be examined in detail.

Therefore, we have to extend the time limit with 15 working days in accordance with Article 7(3) of Regulation (EC) No 1049/2001 regarding public access to documents. The new time limit expires on 17/08/2015.

We apologise for the delay and for any inconvenience this may cause.

I would also like to refer to the replies sent by our services to netzpolitik.org following GestDem requests 2014/5549 and 2015/1272, where we have provided access to documents falling under the scope of your current request for the period between 10/09/2014 and 20/11/2014 (under Gestdem 2014/5549) and also (with a reduced scope) for the period between 01/11/2014 and 02/03/2015 (under Gestdem 2015/1272). Our reply to your new request Gestdem 2015/3174 will not include those documents that have already been sent to your organisation.

Yours faithfully,

Antoaneta Angelova-Krasteva
