## Summary Case

At the beginning of this year, plans for the yearly Animal Rights Gathering became known [DELETED]. The gathering, usually including 200-300 activists, should be held in Northern Holland. Throughout the last years, those gatherings were accompanied by criminal acts of Animal Rights Extremists.

In March 2007, [DELETED] invited to a meeting at [DELETED] to initiate a JIT on those activists travelling to the gathering, but was turned down by all other Member States (DMS #228979).
