A quick call btw Ignacio Garcia Bercero (IGB) and [Art. 4.1(b)] (TTIP advisory group, Standard Chartered)

IGB provided reassurances that the EU has not changed its position on regulatory cooperation on FS in TTIP. In particular, IGB stressed that under the EU proposal the cooperation should warrant early consultation, equivalence assessment and should be linked to TTIP. [Art. 4.1(a)]

\* was satisfied with clarifications. He said that the industry request is to have "an enhanced FMRD with a strong mandate" linked to TTIP.
