Subject: thank you for today's meeting

Dear Mr. Sleath, Mr. Ferriere and Mr. Mauno,

I would like to thank you all for taking the time to meet with me and my colleague Johan today and to give us a chance to explain our views on the current situation regarding snus and what we see as a logical step to take in the future, that is a regulation for all smokefree tobacco products in the EU. We appreciate the discussion.

Please feel free to contact us should you have any questions regarding our discussions today, or any other issues for that matter.

All the best,

Cecilia Kindstrand
