Subject: TBT Committee - Endocrine Disruptors

Dear colleagues,
Endocrine disruptors will be discussed again at the plenary meeting of the TBT Committee taking place next week (5-6Nov) as a Specific Trade Concern (on request of the US).
I have therefore prepared the draft speaking points attached
Can you please let me now by Monday if you would like to amend/correct something or if there is something else we should say?
Thank you very much in advance
Best regards
