Subject: FW: Draft ED screening methodology
Attachments: Draft ED screening methodology 25-03-15.docx; Draft Excel Files for ED screening methodology 25-03-15.zip; Questions to be addressed in order to finalise the ED IA screening methodology 25-3-2015.docx

Dear colleagues,

As announced at the last ISG meeting, please find attached the draft methodology developed by the colleagues of JRC for the screening of chemical substances in the context of the IA.

Attached you will find:

- The revised methodology document
- A zip file containing three Excel files associated with the methodology document
- The list of questions to be addressed by IASG and Agency (ECHA and EFSA) contacts to help us finalise the methodology

Responses to the questions (see file attached) and additional comments are welcome by 10th of April. They should be sent directly to [REDACTED] and [REDACTED].

Best regards
