Dear [REDACTED],

Sorry for the delay in replying to your email.

Please find an excel table with responses of US (line 30), Australia (line 3) and New Zealand (line 19). It also includes responses of Argentina (24), Brazil (24) and Canada (15) which may of interest for you. As the links for the attached files will not work, I have included those files for US and Canada (no attached files provided by New Zealand, Argentina, Brazil and Australia) separately.
