Brussels, 11 February 2016

Dear Mr Delbeke,

Please find enclosed a copy of EURELECTRIC's 2015 Annual Activity Report. The report gives a snapshot of EURELECTRIC's achievements over the past year, focusing on the main policy and strategic work of our industry association, including reflections and reactions to critical EU climate and energy dossiers impacting on our sector.

Highlights of the year are captured under 5 chapters:

1. EURELECTRIC in 2015
2. Customers - The essence of our business
3. A Competitive and Integrated Internal Market – The cornerstone of European energy policy
4. Sustainability and Climate Change – Ambitions and constraints
5. EURELECTRIC in the spotlight

We take the opportunity to thank you for your personal contribution to the "Sustainability and Climate Change – Ambitions and constraints" chapter. **Your interview can be found on page 26.** If you would like more printed copies, please do not hesitate to contact me directly or Anamaria Olaru, Communication and PR Officer at aolaru@eurelectric.org or +32 2 515 10 71.

The Activity Report, with separate links to the interview, is also posted on our website: <http://www.eurelectric.org/activity-report-2015/> and we are pleased to inform you that your interview has received a great deal of attention from our readers.

The industry today is facing a number of global challenges. I am convinced that solidarity and close cooperation with policymakers is of utmost importance to realising the deep energy transition that Europe needs and to ensuring a competitive framework within which companies can flourish.

We thank you again for your continued support of our activities.

Kind regards,

Hans ten Berge
EURELECTRIC
Secretary General
