Subject: EBL comment on IEEP study 'Policy Options for an EU No-Net-Loss Initiative'

Ref.: Your correspondence of 2nd May 2014

Dear Mr Duke,

Many thanks for your above mentioned correspondence.

We very much appreciate your insights on the IEEP report based on the EBL's first-hand experience of dealing with offsets. Your comments will be taken into account in the future development of the NNL initiative.

As you are no doubt aware, it is planned that the Commission will, in the near future, undertake a public consultation as part of the preparatory process for the future NNL initiative. Many of the issues raised in your correspondence will also be addressed in this process and I would therefore encourage the EBL to respond to the consultation.

Yours sincerely,

✓ Karl Falkenberg
