René, Karen,

Je partage l'avis de la D4. Ce n'est pas opportun de convoquer une séance spéciale du CCP sur le seul sujet "whistleblowing" (tension entre les OSP sur la désignation du futur président du CCP, etc). On peut donc sans problème attendre le 25/10. Il nous restera 2 semaines pour tout finaliser et dans le pire des cas, si nous voyons que nous n'y arrivons pas, il sera toujours possible de décaler d'une semaine l'adoption par QABD. C'est évidemment trop tôt pour le décider d'un report de date à ce stade. Wait and see.

Dear Daniele and Maurizia,

Enclosed you will find a draft of a set of guidelines on whistleblowing, which we have prepared and which we are aiming to have adopted by the college on 14 November.

Ms Souka asks us to have an information meeting with the CCP on this before adoption of the guidelines.

We would kindly ask you to give us a date on which we can present the paper to the CCP. Given our tight schedule, the sooner the better of course.

Many thanks in advance, and best regards,

René
