* particular documents already published (ref. to the tender dossier)

* other specific documents provided by the contractor, with some personal, sensitive economic or financial data, for which the disclosure would undermine the protection of the interests of a natural or legal person. (this information cannot be published or communicated, in reference of the exceptions foreseen in the art 4.2 of the regulation (EC) No 1049/2001.)

Our evaluation of the contents of this specific contract is:

Component of the contract	content	status
Contract – special conditions	Standard public document, completed by non sensitive information (identification of contractor, standard modalities for payment, ...) and some particular personal data.	Can be communicated to third parties, except personal signatures of representatives, to be hidden.
Annex 1	Standard general conditions – services contract – version 2012	Information already published on the Internet – DEVCO Website
Annex 2	Terms of references	Information already published on Internet – tender dossier 132225
Annex 3	Organisation and methodology proposed by the contractor – sensitive commercial component (particular knowledge – savoir faire of the contractor)	Cannot be communicated
Annex 4	Presentation and personal CV of experts – commercial, sensitive and personal information.	Cannot be communicated
Annex 5	Detailed budget with sensitive financial data (individual fees proposed by experts, in the field of a competitive procedure) and non sensitive data (standard per diem allowances)	Can be partially communicated
Annex 6	Standards documents, legal entity, bank account, ..completed by non sensitive information (public information about the contractor) and sensitive personal economic information (representatives, signatures, banking information)	Can be partially communicated
Annex 7	Standard forms and models	Information already published on the Internet – DEVCO Website

So we attach to this note the documents that we are allowed to disclose, with some hidden parts, to complement the information already published on the Internet websites.
