**Subject:** Meeting with [REDACTED]

Dear Ms. Kilcoyne,

On June 27, Mrs. [REDACTED] of the Swedish Center Party, is visiting Brussels. The Center Party puts a heavy focus on agricultural questions, and has worked hard to make sure that Swedish agriculture holds a high environmental standard without making the situation for the farmers unsustainable.

We believe thus that it would be fruitful to have a meeting between Mr. Hogan and [REDACTED], focusing on questions concerning sustainability in agriculture and competitiveness across member states for agricultural products.

Would it be possible to arrange such a meeting? We are flexible when it comes to time.

With kind regards,

[REDACTED]
