Dear Commissioner,
Dear Phil,

On March 2 I received a letter of an important Walloon agricultural organisation, the FWA (Fédération Wallonne de l'Agriculture / Walloon Federation of Agriculture). Their representatives would like to briefly meet you during the European Agriculture Council of March 14 2016.

Taking into account the alarming crisis that, among others, the milk and pork sector are facing today, I remain convinced that it is essential to listen to and to enter into a dialogue with the agricultural organisations that wish to do so. Therefore, I support their request and, should you agree with the principle, I would be present during this meeting.

As it is on such short notice, I suggest that our offices stay in contact on this subject.

Hope to see you on March 14,

Yours sincerely,
