Dear [REDACTED]

We just discussed your request at our invites meeting.

Those dates will not work for Commissioner Hogan as he will be on Mission.

I am sorry we are not in a position to accommodate your request on this occasion.

Kind regards

Tom

Dear Tom, we had sent an invitation to the commissioner to speak briefly at our joint field day with CEMA, the European Farm Machinery Association on the topic of digital farming 15 km from Brussels. We are flexible enough to plan around the availability of the commissioner at any date. We will also ensure that sufficient media will be present.

Do you see any chance for the commissioner to accept and address a welcome speech to the visitors?

Best regards
