Subject: FWA invites Mr Hogan in a farm...

Mister Sutherland,

As you probably know, FWA (Fédération Wallonne de l'Agriculture) is a walloon farmers' union, member of COPA-COGECA.

In march, during the european council, we organized a « city farm » next to Belliard. We had postcards printed for Mister Hogan and gathered a lot of support from the general public during that event but also others that we organized last month.

We would like to invite Mister Hogan for a farm visit in Wallonie during the third or fourth week of may, or even june if impossible for him in may.

We wish to give Mister Hogan the postcards that people signed for him, and also speak with him about the specific situation of walloon farmers.

Could you please tell me if Mr Hogan has any disponibility for that event ?

You can join me either by mail, or phone (+32 [REDACTED]) if you have any further question.

Thank you for your kind help.

Regards,
