Dear Mrs. Siracusa,
let me thank you very much for the nice and fruitful conversation we just had about the possible meeting between President Chiamparino and Commissioner Hogan. To try to help the process of scheduling a suitable day, we've already found a few possible dates in Mr Chiamparino's agenda, allowing him to be in Brussels to meet the Commissioner: June 22nd and 29th and July 6th.
I look forward to have news from you.
With my warmest regards,
