I will not be able to go to this conference either.
Can I suggest that you fix a date in November with my office for an agricultural conference in the Netherlands that is hosted by you and EPP. Then I will be glad to attend. Write to my office in the next few days and I will coordinate the date and event with you.

Dear Mr Hogan,
Dear Phil,

Today I was informed that a regional agricultural meeting on September 21, 2016 in Joure takes place, to which myself and you were invited, as well as Liberal MEP Huitema.

I will not be able to attend this small regional agricultural meeting in Frisia. Organizers informed me they will invite you too. Therefore I found it useful to inform you I will not participate in this event this year. I hope that you will be able to visit the agricultural sector (and agricultural family farms) in the Netherlands with me and our EPP Group member party CDA later this year, in view of the Dutch national parliamentary elections in early 2017.

Thanks for your understanding and awaiting your response.

Kind regards,

Annie.
