Hi Kevin,

Hope everything is ok with you.

MEP Sofia Ribeiro told me that Commissioner did not receive our letter inviting the Commission to participate in the seminar in Azores. I checked and unfortunately I had a technical problem and it was not sent. It was on the outbox. Sorry for such a delay. I took the advantage and changed a letter in order of what Mr. Hogan told MEP Sofia.

In attached you can find our letter. Can you please see it and give your opinion?

Thank you so much. When you have the time, let's have a "super bock" or "especial (Azorean beer).

Best regards,

[REDACTED]
