For the attention of Mr. Phil Hogan, Commissioner responsible for Agriculture and Rural Development

On behalf of **Mr. [REDACTED] of the Agricultural and Rural Development Committee of the Central Union of Municipalities of Greece (KEDE)**, I would like to kindly ask for a **meeting with Commissioner Phil Hogan** so as to discuss EU agricultural and rural development policies as they constitute a key component for jobs and growth.

More specifically issues such as the Rural Development Program for Greece for the period 2014-2020 and the key factors for achieving its objectives, the priorities, focus areas and specific targets, LEADER and Community-Led Local Development (CLLD) implementation, as well as, the Transatlantic Trade and Investment Partnership (TTIP) negotiations, are some topics of interest to us.

Knowing the very heavy agenda of Commissioner Hogan, we would be honored if he accepted to meet with Mr. [REDACTED] and a small delegation of the Agricultural and Rural development Committee of the Central Union of Municipalities of Greece, at his earliest convenience.

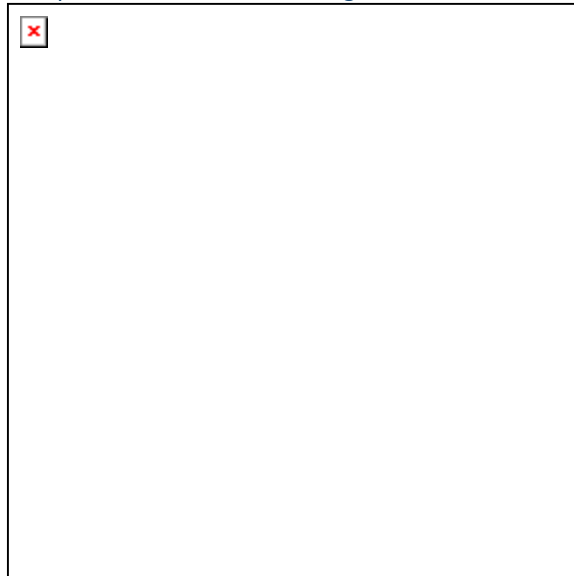

Thank you in advance for considering our request.

With kind regards
