Dear Mr. Keary,

Further to my call, please find here the initial email sent to invite the Commissioner to the opening of the European Week of Bees and Pollinators.

I believe my colleague had received a negative answer over the phone and also through the office of the Vice-President [REDACTED] which was also in contact with the Cabinet regarding this invitation.

As indicated, it would be great if the Commissioner could come for the inauguration of the Bee Village on the esplanade of the European Parliament (Tuesday, 14th of June from 9.00 – 10.00) or / and to the Opening session of the conference in the European Parliament (Tuesday, 14th of June 10.00 – 11.00). As mentioned, we are flexible for the schedule and can adapt it if necessary.

I attach the draft agenda of the conference. As more and more partners are involved in the organisation of the Bee Week, the agenda still has to be finalised in terms of speakers for the panels.

The Prince Albert II of Monaco has confirmed his participation to the event and it would be a great honour if the Commissioner Hogan can participate as well.
Mrs Gabriel would be very honoured if the Commissioner could accept the invitation this year.

I remain at your disposal for any further information.

Kind regards,

Subject: SAVE THE DATE Conference European Bee Week 2016 - 14th June 2016

Dear Commissioner Hogan,

As Chair of the “Apiculture & Bee Health” Working Group of the European Parliament Intergroup on “Climate Change, Biodiversity and Sustainable Development”, I have the pleasure to **invite you to the conference I am hosting in the European Parliament in Brussels in the framework of the 5th edition of the European Week of Bees and Pollinators.**

This event has become a key event in the European Parliament since its launch for the first time in 2012. Building on our past experience and following the significant success of the previous editions, this year conference will take place on **Tuesday, 14th June 2016.**

I would be very honoured if you could give opening remarks at the beginning of the High-level Conference, as well as at the inauguration of the Bee Village in the Esplanade of the European Parliament, prior to the start of the Conference. H. S. H. Prince Albert II of Monaco has already confirmed his participation in this year edition.

To this end, I will update you shortly with **an indicative agenda and programme**. In the meantime, I remain at your disposal for any questions you might have.

Yours faithfully,

Mariya Gabriel
