Dear Ms Rueda Catry,
Dear Ms. [REDACTED],

Hope this message finds you well. I am pleased to let you know that by the end of this week our Ambassador will present his credentials to the European Council President Donald Tusk. This will open up the door for us to plan his introductory meetings with the Members of the European Commission. Naturally, a meeting with Commissioner Hogan is on very top of his agenda.

Perhaps already now we could discuss with you suitable dates for such a meeting starting from the week of 18 April. For the moment, only the dates of 25-29 April should be excluded as we expect a number of visits from Kyiv on those days, first and foremost the EU-Ukraine Dialogue on Agriculture.

Looking forward to hearing from you,

Kind regards,
