**Subject:** Agri Aware to launch CAP airport advertising campaign

Hi [REDACTED]

I hope you are well.

I'm just touching base with you regarding Agri Aware's new advertising campaign for Dublin Airport.  
As part of our CAP communication campaign, 'Farm to fork-CAPtured, for over 50 years' Agri Aware will be advertising the importance of CAP in Dublin Airport, starting July 18. We would like to invite Commissioner Hogan to the launch of the campaign, which will take place at 12pm on Monday July 18 in Dublin Airport.  
This campaign will be present in bot Arrivals and Departures of Terminal 1 and 2 of Dublin Airport and will highlight a variety of benefits of the Common Agricultural Policy to passengers.

If Commissioner Hogan needs any more information on the event or the campaign, please do not hesitate to contact me.

I look forward to hearing from you.
