### Invitation for a Keynote at the EnR Energy Dialogue on 8 November in Brussels Berlin, 7 June 2016

Dear Commissioner Arias Cañete,

The Deutsche Energie-Agentur (dena) – the German Energy Agency is delighted to chair the European Energy Network (EnR) in 2016.

As EnR Presidents 2016, dena's Management organises an energy event on "Energy Efficiency in Action: Parameters and requirements for realising the Energy Union", in cooperation with the German Alliance for Building Energy Efficiency (geea).

The full-day event will take place on **8<sup>th</sup> November in Brussels** at the premises of the Representation of the Federal Republic of Germany to the EU. The program aims at rendering a panorama and selected close-ups of different country, company and institutional perspectives, contributions and solutions, with a view on the requirements, questions and challenges of the Energy Union.

On behalf of EnR, we kindly invite you to our Energy Dialogue and would be honoured if you could give a keynote on the role of energy efficiency in the Energy Union in the morning session

#### **"Energy Efficiency – Parameters for Moderating Energy Demand Across Europe".**

Your keynote is scheduled for **9.15 am**, followed by a keynote by [REDACTED] with the Federal Ministry of Economic Affairs and Energy of Germany, at 9.30 am, and a moderated podium discussion. Beside the invited representatives from the EU Commission and Parliament, participants in the discussion will include deciders and managers from

- Federal Ministry of Economic Affairs and Energy of Germany (BMWi)
- ADENE – Agência para a Energia (energy agency Portugal)
- ADEME – Agence de l'Environnement et de la Maîtrise de l'Energie (energy agency France)
- IDAE – Instituto para la Diversificación y Ahorro de la Energía (energy agency Spain)
- RVO – Rijksdienst voor Ondernemend Nederland (energy agency Netherlands)

- Alliance for Building Energy Efficiency (geea) (Germany)
- Representatives of sector-specific as well as consumer associations

The afternoon session on "Integrated Energy – Efficiency through sector coordination" is scheduled to start at 1.50 pm. We have invited EU Commissioner [REDACTED] to open the session with a keynote, outlining the relevance of an integrated energy approach for the EU Energy Policy. This part of the dialogue embraces corporate contributions and discussions with CEOs and General Directors of companies from across Europe.

We would be grateful if you could attend the ENR event and look forward to hearing from you.

Yours sincerely
