Subject: Boeing - Farnborough Air Show

Dear Ms. [REDACTED] :

As Boeing turns 100 years 'young', we are commemorating our centennial in the margins of this year's Farnborough Air Show, which takes place outside of London in Farnborough on **11-13 July**.

In that setting, our [REDACTED] for Boeing International, Mr. [REDACTED], would be honored to welcome Commissioner Cañete to our air show chalet, which also features an exhibit displaying a range of environmental solutions we are pioneering for the aviation industry in partnership with various European partners.

Could you tell me if the Commissioner is planning on visiting the air show this year and if a brief bi-lateral could be arranged?

Thanks in advance and I look forward to hearing from you,
