**Subject:** Speech invitation Energy Storage and Distribution 2016

Dear ms. [REDACTED],

On Tuesday 8 November 2016 we are organizing the conference Energy Storage and Distribution in Antwerp.

An annually event about the innovations in the new energy landscape.

We would be delighted to welcome you as a speaker to give a presentation about *the European regulations renewable energy*. We hope you would like to share your insights with us.

Enclosed you will find the (highly) confidential draft program showing you which slot we have reserved for you. It also lists the other topics of the conference and all other *invited* speakers. English is the language of the entire conference.

We expect over 80 participants. These are managing directors and other senior executives from energy- and industrial companies specializing in energy storage and distribution, and energy innovation. In addition we expect consumers, research institutes, universities and government organizations.

We hope you are interested in this invitation, and we propose to contact you in the beginning of next week. Please let us know if you need further assistance in deciding to accept our invitation. We are looking forward to working with you. Thanks in advance!

Kind regards,

[REDACTED]
