Invitation to a Key Note Speech
Power markets and regulation – towards a new balance?
EPEX European Power Market Summit – 5-6 October 2016, Brussels

Dear Mr. Cañete,

EPEX SPOT SE is delighted to invite you to address the participants to the first EPEX European Power Market Summit to be held in Brussels on 5 and 6 October 2016.

A distinguished audience composed of CEOs of the European Energy Market – Suppliers, Transmission System Operators, Regulatory Authorities and Power Exchanges and other market parties – will attend the first summit organised by EPEX SPOT on issues related to upcoming developments of the European Power Markets.

During the three sessions dedicated to this overarching theme, topics cover the interdependence between grids and markets, European Power Market Integration as well as various trends in innovation – please find more details in the draft agenda attached.

Participants to the Power Market Summit and myself would be pleased if you could address the distinguished audience on 5 October 2016 starting 18h15 with a keynote speech on "Power markets and regulation – towards a new balance?" After your speech, I would like to cordially invite you to the exclusive dinner in the Vaudeville theatre.

I look forward to your reply and the active involvement of European Commission's representatives in the event.

Sincerely yours,
