LE PRÉSIDENT

Paris, 1st June 2016

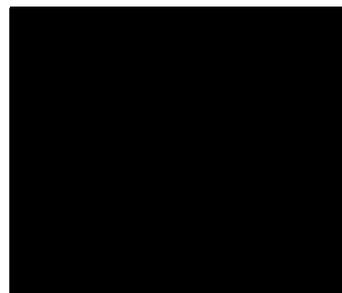

Dear Mr Canete,

The 8th edition of our international insurance conference will take place in Paris on Friday 14 October 2016. This annual event will be held for the first time under the aegis of the French Federation of Insurance (FFA). Key representatives of the French, European and International insurance authorities, CEOs and top executives from major global groups, alongside with leading experts, will attend the conference at the FFA Paris head office for a day of discussions and debate on the topic "the insurance of tomorrow".

A gala dinner will take place on Thursday 13 October 2016, the evening before the seminar, at 07:30 pm. I would be very honoured if you can join us. This dinner will gather seminar speakers, presidents of other national insurance associations, FFA Board members and other key personalities, around major political figures who will give us their viewpoint on the European economic situation. I would also be extremely pleased if you could attend the conference.

Could you please confirm your participation by email (diner.international@ffsa.fr). For any further information, please don't hesitate to contact [REDACTED] (+32 2 [REDACTED]).

Yours faithfully,

Mr Miguel Arias Canete
European Commissioner for Climate Action and Energy
