Subject: INVITATION > Europe's Mobile Economy Working Dinner > 16 June 2016

Dear Ms [REDACTED],

It is my very great pleasure to invite you to a high-level working dinner on the **European Mobile Economy: Creating Tomorrow's Growth, Jobs and Competitiveness** which will convene on **Thursday, 16 June** from **19h00 to 21h00** in the **Silken Berlaymont Hotel**, 11-19 boulevard Charlemagne, 1000 Brussels.

We expect a small, but eclectic group of app developers, think tankers, platform providers and policymakers for a fascinating, VIP-only tour de table (15 participants or less). Our very special guests are [REDACTED] of Famoco, a Franco-Belgian card-reader manufacturer; [REDACTED], an app developer from Number26 in Germany; [REDACTED] at VisionMobile (who will present the results of a global survey on the impact of the app economy on the economy at large for which 20,000 app developers responded); [REDACTED] of Google, who is visiting Brussels from Mountain View; and [REDACTED] of the App Developers Alliance, the leading app developers trade association.

We envisage an interesting, moderated conversation on the mobile economy, the depth of the European footprint, the way that footprint can be deepened and the policy challenges of tomorrow. This is a working dinner; not a social occasion. We expect 15 or fewer participants, all VIP. All participants will be seated "boardroom style" around a single table. The ground rules will be Chatham House, and I will serve as moderator.

A copy of the VIP, invitation-only programme is attached. We would be delighted if you personally or a member of the cabinet could join and take an active role in the discussion and debate. We think it would be an interesting conversation that you would enjoy.

Many thanks in advance. I hope to have the pleasure of welcoming you or someone from your team to the Silken Berlaymont Hotel on Thursday, 16 June for this timely discussion.

Kind regards.
