GESTDEM 2011/6126

Dear Mr Hoedeman,

I refer to your request of 1 December 2011 of access to all documents on possible professional occupations taken up by former Commissioner Charlie McCreevy in 2011.

The obligation impending on Mr McCreevy to inform the Commission about his post Commission-office occupations expired on 9 February 2011, in conformity with the last paragraph of point 1.1.1 of the Code of Conduct for Commissioners adopted in November 2004, which is applicable to Mr McCreevy.

The Commission has no documents concerning any new professional activity of Mr McCreevy in 2011.

Yours sincerely,

Hubert Szlaszewski
