Dear colleagues,

Since my colleague dealing with this matter is on sick leave since Wednesday, I don't know whether you received his feedback before.

On 1:

Yes (even if devoid of purpose, should there be no Commission documents as falling under the request)

2:

To be done by the service receiving the request

**Subject:** Access-to-documents request related to the UK Referendum

Please find attached an A-t-D request we have received directly on our FMB.

It concerns the messages (Twitter) or other documents of one of our staff members.

1. We suppose, there is no other way than to register it in Gestdem.
2. The postal address of the applicant has to be asked, according to our practices. Will the SG do it, or is it our task in ECFIN?
3. Regarding the reply: We may search with the colleague in question for any document in the exercise of his duties that he has drafted in relation to the Referendum,

but private Twitter messages are not part of "documents of the institutions" – has the UKTF any remarks or guidance to give (similar requests)?
