Paris, 19 March 2015

Dear Vice-President Šefčovič,

On behalf of the fellow CEOs composing the Magritte Group, I am honoured to invite you to speak at a high level conference on "An Energy Union to engage Europe and its energy companies towards a renewed energy market" we are organising at the European Parliament in Brussels on the 21st April 2015 (from 14.00 to 16.00). This event will be chaired by MEP Françoise Grossetête, First Vice-President of the EPP Group, with the participation of Messrs Daniel Benes (CEZ), Ignacio Galán (Iberdrola), Gertjan Lankhorst (GasTerra), and myself.

It is indeed of upmost importance for us to engage the European Parliament into a constructive debate on the opportunities that the Energy Union strategy offers to design an energy policy framework which responds to the current challenges faced by energy companies in Europe.

I have been informed of your commitment on that afternoon. Yet we would be very pleased to invite you for a dinner in the evening of the 21st April.

I am looking forward to continuing our fruitful cooperation,
Yours sincerely,

Gérard Mestrallet

Kind Regards
