Message to the assistants of the Vice-President and the Commissioner

Good morning,

Mrs. Kocher and Mestrallet will invite Mr. Maroš Šefčovič's and Mr. Miguel Arias Cañete to the upcoming event of the 'Magritte Group' in Brussels on Climate Change.

The date has not been set yet because it depends on the availabilities of the Vice-President and the Commissioner between 10 and 19 October. I thank you on beforehand for sending me the most suitable date. On our side, October 10 would be an excellent date.

I remain available for any further information.

Best regards,
