Subject: ECA/NCA letter addressing SPS export issue with the US

Dear [REDACTED]

I have the pleasure of sending you the ECA-NCA letter to substantiate our position ahead of the SPS meeting with US counterparts.

For the time being, we prefer addressing our concern through this letter (and not during the stakeholder meeting scheduled on 24 February).

Many thanks in advance for your time and support. We look forward to your feedback on this important matter and I remain at your disposal to discuss next steps.

Kind regards

Catherine
