

**Subject:** meeting with CLECAT

**Participants:**

Marc Huybrechts President, Nicolette van der Jagt Director general and [REDACTED]  
and DO

**Purpose of the meeting:** requested by Clecat

**1. (Main) issues discussed**

MH introduced Clecat; it is gathering all the national associations from the 28MS and Switzerland and Turkey. It is their European voice. Globally they are under FIATA. They have a holistic view and comprise all the modes. Clecat is also doing the secretariat for the ELP.

DO explained the 3 key content drivers of Csr VB: digitalisation, decarbonisation and internationalisation. Clecat is very much in line with it.

Further DO explained what she expects from logistics.. the homework: 5 objectives, 5 obstacles and what needs to be done at EU level, at MS level and in sector. Do explained what is on the agenda: aviation package by end this year and road package next year.

Also discussed the fact that Clecat is already working with a multimodal bill of lading and the need to get this digitised.

**2. Any personal comments/observations about the meeting/atmosphere/people'**

**Conclusions/follow up/instructions for the services**
