Subject: Your request for access to documents of 19 February 2017
Our ref: 2017/024

Dear Mr. Hutchings,

Thank you for your request for access to documents, which we have examined in the framework of Regulation (EC) No 1049/2001¹.

With regards to current and future EU tenders, all contract notices can be found in the Official Journal of the European Union available electronically at <http://ted.europa.eu/TED/main/HomePage.do>. Any citizen can register to receive information about tenders being launched in the area of its business by selecting a relevant CPV code.

Once a procurement procedure is finalised and a contract signed, a contract award notice is published² on that website.

Furthermore, you can find information about *local* tenders on the websites of the respective EU Delegation in the country of your choice. These websites can be accessed via https://eeas.europa.eu/headquarters/headquarters-homepage/area/geo_en.

Yours sincerely,

Gabriele Visentin
