**Subject: Co-Rapporteurship for the TRAN opinion to the EFSI legislation**

Dear President,

On 13 January 2015, the European Commission proposed a new European Fund for Strategic Investments (EFSI).

TRAN Coordinators decided that, as the proposed EFSI is directly linked to the Connecting Europe Facility (CEF), and in order to ensure continuity, the same Rapporteurs who previously dealt with the CEF Regulation should be in charge of the EFSI proposal as well.

I would therefore like to request the nomination of Co-Rapporteurs (namely Mr Dominique Riquet (ALDE) and Ms Inés Ayala Sender (S&D)) for our TRAN opinion to the EFSI. Taking into account the importance of this dossier, as well as earlier precedents, my Committee considers the nomination of Co-Rapporteurs justified and necessary. I would therefore ask you to submit our request to the Conference of Presidents.

For your information, the TRAN Committee has already asked for associated participation with the lead Committees under Rule 54 of our Rules of Procedure.

Yours sincerely,

Michael Cramer
