Subject: Request for an authorisation to designate two co-rapporteurs for the AGRI opinion on the INTA resolution on Transatlantic Trade and Investment Partnership between the European Union and the United States of America (art. 108 § 4)

Dear President,

The AGRI Committee expressed its intention to draft an opinion on the INTA resolution on Transatlantic Trade and Investment Partnership between the European Union and the United States of America.

In view of the scope, the complexity and the importance of such a resolution and the high political sensitivity of the subject for the AGRI Committee, the latter has decided to appoint two co-rapporteurs, who will be Paolo De Castro (S&D) and James Nicholson (ECR).

I would be grateful if the Conference of Presidents could accept that this opinion be entrusted to these two co-rapporteurs.

Yours sincerely,

Czesław Adam SIEKIERSKI
