Dear [REDACTED]

I hope this email finds you well.

In the framework of the ongoing EU-Japan FTA discussion, yesterday Businesseurope hosted a roundtable of main stakeholders involved in the discussion from both the European and the Japanese sides. The main objective of the discussion was to highlight the objectives of the different sectors in the FTA negotiations. Please find attached the agenda of the roundtable for your information.

UNIFE represented the European rail sector, whereas JR East represented the Japanese stakeholders.
