WARSAW

Subject: Revision of Triton 2017 Operational Plan. Request for an urgent meeting.

Dear Fedriva,

following the enormous migratory pressure over the last two weeks in the central Mediterranean, with 14,240 migrants disembarked on the Italian coasts and in recalling the recent meeting of the Ministries of Interior of France, Germany and Italy and the European Commissioner for Migration, Home Affairs and Citizenship, I hereby urge you to call for an urgent meeting, within the framework of the JO Triton 2017, with the concerned member States and in line with the provision of Art. 16 (4) of the Regulation 1624/2016.

On that occasion, I would like to set the basis for a revision of the TRITON 2017 Operational Plan, in order to achieve a broader involvement of Member States in managing the rescue of the migrants and a more sustainable sharing of the burden.

my regards

THE CENTRAL DIRECTOR
